the library owned by samuel jeake of rye nonconformist and local activist was one of the most remarkable of its time it is of particular importance in that relatively little information has hitherto been available about the ownership of books in the english provinces or the reading habits of intellectuals who like jeake were outside london and university circles from which most surviving libraries have come down to us the collection of some 1500 volumes includes an extraordinary assemblage of radical pamphlets from the english revolution alongside works of theology literature scholarship and science other books reflect astrological and magical interests and the collection also includes a medical library jeake s library catalogue published here gives much information about titles that are now lost about the penetration of foreign books into provincial england and about book prices the introduction places jeake s collection in context and makes a significant contribution to the history of the book in the early modern period appendices list surviving volumes from the library and give a complete list of the jeake manuscripts now in rye museum michael hunter is professor of history at birkbeck college university of london giles mandelbrote is a curator british collections 1501 1800 at the british library richard oviden is deputy head rare books division of the national library of scotland nigel smith is reader in english at the university of oxford

as congregations explore their emerging visions they need support in equipping the saints for their day to day lives and ministries beyond the doors of the building the dismissal go in peace to love and serve the lord becomes as important as the eucharist in feeding the people for the journey but churches often fail to focus on this baptismal calling to go into the worlds of work family and community this book fills that void focusing on how the baptized become go ers providing practical and tested ways of fulfilling that calling go to love and serve builds on and complements the work of stephanie spellers radical welcome which called congregations to move beyond diversity and inclusion to be places where the transforming gifts voices and power of marginalized cultures and groups bring new life to the mainline church each chapter is followed by discussion questions for use with small groups or for personal reflection

what can nonviolence offer to feminists working to end violence against women can nonviolence be used by women to protect themselves from street and work harassment from partner battering date rape and sexual assault what are the connections between war and sexism and how should nonviolent activists address them how should feminists confront the structural violence of racism xenophobia colonialism land displacement and environmental destruction feminism violence and nonviolence features a carefully curated selection of seminal texts originally published from the 1970s to the 2000s which document dynamic feminist thinking on the root causes of violence the social forces inculcating violence into patriarchal institutions and relationships and the many insights that nonviolence can gain from a feminist perspective this collection of essays articles pamphlets flyers and excerpts from books of feminist thought brings together the voices of the women and men who helped to transform movement consciousness on issues of sexism racism colonialism and a broader array of otherisms expanding and diversifying nonviolent philosophy with a sociological and historical introduction to the movement and author and organisational biographies this is an essential resource for students of gendered and sexualised peace violence and justice
